8 Things You Need To Know Before Attending DevCon Summit 2017:

1. Doors open at 7AM. Light breakfast with coffee/juice will be served.
2. Bring your ticket (printed, virtual EventBrite app ticket, or a copy of the confirmation email on your mobile device) and a valid school, company, or government ID and line up at the registration area at the 1st floor of Philippine Trade Training Center. Once registered, you will receive your freebies including your Event ID and Exhibit Passport.
3. Please take care of your Event ID - you need them to enter the Main Hall and the Special Tracks, and to claim your snacks and lunch. Don't forget to bring it on Day 2 of the event.
4. Win the grand prizes! We're raffling off laptop, smartphone, and tablet among others. Go around the Exhibit Area and receive stamps from the booths. Once all of the spaces of your Passport are stamped, fill in your contact details and drop it off the Concierge area near the entrance of the hall.
5. Win in the minor raffles! Just share your experience on Facebook, Instagram and Twitter using the hashtag #DevConSummit2017! Minor prizes include Hard Drives, Domain Names, speakers, Co-working Passes, Powerbanks, Mugs, Notebooks and Shirts, vouchers, credits and more!
6. Join the Special Tracks aside from the talks and the panels in the Main Hall. These are hourly breakout sessions on specific technologies at the meeting rooms outside the Main Hall. These sessions are first-come-first-serve and have limited slots. To learn more about Special Tracks please check out the Agenda section of the website.
7. Download the mobile app DevCon Summit 2017 to improve your DevCon Summit 2017 experience. iOS and Android versions are available. View the schedule and speaker details, make your own agenda and rate the sessions you attended. App content can also be accessed offline.
8. Free Wifi will be provided by PLDT InnoLab. However, with 1,000+ devices in the area, we cannot fully guarantee that it will be stable for the entire event.
9. Visit the Tech Community Booths. Over 10 tech communities will be at the summit this year, get to know them and join their activities happening all year round!
